ABOUT ONESHARED.WORLD

OneShared.World is a broad and inclusive movement of people in over 100 countries on five continents working collaboratively across diverse cultures, communities, ethnicities, generations, and nations to ensure a better future for humankind and the sustainability of our common home. We are building a third pillar of the global power structure beyond sovereign states and the essential international institutions our governments have created. This third pillar is a fully inclusive, global social movement and political force representing the democratic expression of our common humanity. We seek to give our common needs as humans a voice that is relevant in all major decision-making.
